

conclusion that galaxies in the universe are moving away from each other at a ~~trmen-~~ tremendous~~ly~~ rapid rate. And the heavens are such --God didn't give us the chapter on astronomy to explain a great discovery in He uses a which that we made ~~at~~ the 20th century, but ~~the~~ phrase repeatedly/would suggest it, and when the scientists discovered it, it is already suggested there in the Bible. Of course our interest is not directly in natural science but in doctrine but in doctrine the same thing is true, the trinity is definitely suggested the ---there are definite passages which ~~at~~ have the Old Testament ...you can't make any sense out of it, it ~~is~~ just ~~done-~~ doesn't understand. and ...we ~~wee-~~ see how exactly it fits ...and with the doctrine... We must hurry on. That ~~was~~ was A under nine, B is the claims of textual criticism --I see I better ~~convine~~ confine this to not over two minutes. The plea of textual criticism. I was advised that everyone learned to know the meaning of the simple textual criticism. Our text ~~various-~~ varies much more than the old. ...Our text varies much more than the ~~ole-~~ Old. ~~at~~ A vital difference in the Massoretic text, between the Quere and the Kethib. That is the most ...and we must know a little about the ...whether there are a number of manuscripts that differ on some point or whether ~~the~~ there are a number of versions s--now the ~~Kittle-hs-~~ Kittel has some ~~at~~ notes which can be tremendously ~~at~~ useful in this direction, butgive us ~~at~~ what the editors think ~~ought-~~ ought to fit instead of what they might ...or in the ..and therefore the footnotes, if they are going to be of any value to you, you have to ~~the~~ learn the ...because you know that ...well, ~~at~~ there are certain manuscripts that have this...and so a little knowledge of textual criticism will keep you from building too much on a verse that evidences a variation in ~~trans-~~transmitti- transmission, it
