

PRAYER: We thank you, our Father, that your word is truth. We thank you for the wonderful predictions that you have given us about Babylon, about Egypt, about Tyre, about Jerusalem, and for the many instances in which we can see visible proof that these predictions have come true in ways that no man could possibly have brought about. We thank you, our Father, that you know the end from the beginning. O, God, you know the heart of each one of us. Look into our hearts and see whether Jesus Christ is there. If any present do not know Him as Saviour, help them to turn away from sin, to look to Him in faith, and to be saved through what He did on Calvary's cross. Help those of us who know Jesus Christ as Saviour to study the Word of God and to see the proofs of your existence and power. Help us to study the Word and see the qualities that you desire to develop in us. Help us to study the Word and know something of your plan for the future. And O, our God, help us to make sure that when our Lord Jesus comes we shall be found faithful. We ask in our Saviour's Name. Amen.
