

if we continue to reject knowledge, God ~~will~~ wrath is going to be upon us but also that even if we do not know that God will show toward the U.S. that yearning love that He showed toward Israel and that Hosea showed toward his wife, we do know that God will show that yearning love toward every one that turns to Him in faith and accepts Him as Saviour , and we know that God has that yearning love toward everyone in all parts of the world who do not know Christ yet and who is longing that we should go and carry the message of salvation and tell them of this God who so loves them that He wants them to turn from their sin and to turn to Christ and to be saved through His precious blood. God is calling us to bring this to them and to our people that we should no longer reject _____ but accept it and believe on Him. Oh, how wonderful are the ~~truth~~ truths that God brings out in the Bible . There is far more in Hosea that we have been able to touch upon this morning . But just to give you a little glimpse of this book and its treasure and to show the meaning for us today.
