

Assignment Due by Noon Friday, October 6

1. Look carefully at Daniel 7:13. Specify which, if any, words in the verse are to be understood as literal and which, if any, are to be understood as symbolic.

2. Carefully examine Matthew 26:64, Mark 14:62, Luke 22:69, and the context of these verses. Note any similarities or differences from Daniel 7:13. Do these verses prove anything about Jewish interpretation of Daniel 7:13 at the time of Christ? Do they prove anything about Jesus' own interpretation of Daniel 7:13?

3. List each usage of the term Ancient of Days in Daniel 7. What can you tell about its precise meaning in each case?

Please answer the above questions as specifically as you can. Do not make statements that go beyond what is clear from the verses themselves or from their relation to the surrounding context. Do not make obvious statements about the surrounding context.
