

seems to be an overwhelming concensus of opinion that this is what you think I should do. And I feel it is what I should do. He said, Le'ts consider that matter setteld, and we are ~~ax~~ going ahead on that basis. Now, he said, Are you willing to do that? How many are willing to do that? And I think everybody raised thier hands. Now, he said, If that's your feeling, I'll go with confidence that you are carryng on while I am ~~gatax~~ gone, rejoicing in what I am doing. And he said, I am going to ask Mr..... to take charge of getting the supplies while I am gone. And he showed confidence in the man that the man would accept the fact. They didn't agree with him, and go ahead. And in that case it worked. Now he had to be a pretty good man to take that chance. Well, I guess this is.....  
end of class, March 16.
