There are c. 7 Southern place names in P,  
" is one Northern " " " P

" . . . the J writer was, it is universally agreed, a southerner." God and History in the Old Testament, Harvey H. Guthrie, Jr. p. 31

"The J Document . . . . was clearly the creation of a southerner, . . . ." ibid, p. 58

"This northern version of the early traditions of Israel is called the E Document. Though some scholars would see it simply as a supplemented form of the J Document, it is more likely to have originated as a separate narrative." ibid, p. 59
