

to carry out God's purpose, I see no difficulty in accepting the fact.

In conclusion, I am impressed with the amount of ~~clear~~ solid truth that is compacted into this note. It makes me feel ~~well~~ repaid for the ~~the~~ long hours that I spent working with others in producing this edition of the Scofield Reference Bible. (to be underlined?)

Your letter does not give me any idea of your own personal attitude concerning the matter. Never has there been a greater need of ~~workers~~ workers for God who understand the clear teaching of the Bible and are ready to stand for it and to do everything in their power to make it known. I hope that God will lead you to become an expounder and defender of His Word, and to make your life count for His truth.

Sincerely yours in Chrs<sup>o</sup>,
