Grand Canyon Story

1-1 Prov. 29:17 where there is no revelation the people perish

1-5 In 1923 a couple perished in the Grand Canyon. President ^{Coolidge}
~~Hoover~~ took an interest in the case. Easy to imagine what
happened.

2-9 Need of a revelation from above illustrated by my
experience in the Grand Canyon.

3 Induction and deduction both fail. Need a revelation.
