Dear Sir,

I would appreciate it if you would send me the latest catalogue from Faith Seminary. I had a copy last year, but I loaned it to my roommate, Jimm Smith, and he has it at his house.

You might be interested in seeing my personal testimony as it appeared in POWER this past summer. The testimony was written in my Freshman year at Muhlenberg. I am now a Junior. Also I would appreciate it if you could recommend a good book on Covenant Theology. I come from a Dispensational background, but am interested in looking into Covenant Theology and would rather read a book for it instead of a Dispensational book written against Covenant Theology. Thank you for your help in these two matters. I trust the Lord
