Dear Dr. Mackae:

Being well-aware of your devotion to Confessional Presbyterian faith, I would like to take the liberty of asking a question concerning the Westminster Shorter Catechism.

The answers to questions 90 and 91 say that the reading of the Word and the partaking of the sacrament are "effectual means of salvation". Does this not contradict the concept of "salvation by faith only"? Do Presbyterians believe in salvation by works?

I would appreciate any comment from you.

Sincerely yours,
